“ Our favorite Ramsey family memory is of the wonderful time at the lake house learning to bass fish and learning to clean the fish. Gene was a little squimish about that part. Meredith fell into the lake within a few minutes of our arrival. Later she literally "hooked" her sister Kendall. Best meal and wonderful Indiana hospitality as only Ed and Gladys could do! Lots of love to share. Linda Ramsey Moore

“ I don't even know where to begin with the memories. . . they go way back to elementary school. The last time I saw your mom she still called me Soupy. She thought that was so funny at first, she called me nothing else and she always laughed when she said it. I can still hear her. . .

I remember our trip to Bebe, Arkansas, riding backwards all the way in the station wagon.

You trying to teach the girls how to fish at your moms lake ~ Mrs. Ramsey could be heard laughing hysterically, the sound carrying across the lake ~ and the interstate !!!

The wonderful lunch we had that day by the lake ~ non-stop laughing. So many fond memories

Aubrey playing "Happy Birthday" on her cello, your mom wanting to "keep" Kelsey !

I will be there Tues. !

Till then, Love, Soupy
