“ I am sorry to hear about Bob's passing. He was one of my best friends in high school. We spent many hours fishing fishing and/or cruising. Kevin Kennedy

“ I sure hate to hear about the passing of Glen... We spent many years hanging out in our younger days. We both came to know the Lord in 1979. One of my fondest memories with Glen was when we got the old church bus running, and the pastor told us to take it home and bring it back full of people. Glen was a kind generous man who can now rest from his labors to be with is Lord. Rest in peace old friend!
