“ I had the pleasure of talking with Glenna just a few days ago. We laughed and shared stories of playing at our grandparents' house and White Water State Park. I will forever be grateful that she and I were cousins. Until we meet again, sweet woman. You are loved now and always.

“ I remember the Sparks reunion, always on the 4th of July, at office park, all of use would go to the carnival and ride the rides and I remember Glenna loved it and we would ride until we got sick, what a wonderful time we had, I wish that we cousins could have been closer but sometimes life just gets away from us, loved and she will be missed!
