Tribute Wall

“ *She and I were married for over 49 years. We lived in Fishers Indiana and Carmel Indiana and in Las Vegas Nevada. I miss her so badly. I am so alone with her deceased for over 6 months. She is buried in the Glaser family plot next to my gravesite. We had a love and respect for each other that was stronger than anything. I look forward to being in Heaven with her for an eternity.*

“ *I loved you all of my life. You are sorely missed by me. You gave me all of the love I never got from my Mother and my Sister. I hope you are waiting for me as we promised to each other that we would be. I am so sorry for all of the suffering you went through at the end of your life. Thank God I had 49 years together with you. I will always treasure each moment we had together. I would have gladly traded my life for yours. I hope you are at total peace now in Heaven with me, your Mother and Father. Love, Jeffrey your Husband.*
