“ Words cannot express how saddened we are over Craig's passing nor are there enough words to describe his humble, genuine and caring character that everyone has fallen in love with, including ourselves. We feel blessed to call Craig a devoted friend since the day he became our "Summertime neighbor" in Hackett's Cove, Nova Scotia, Canada many years ago. Ironically, Craig's Hackett's Cove home originally belonged to Gary's Dad, having changed owners a couple of times before we were blessed with Craig and Marijo's instant friendship; stories were exchanged and we discovered other mutual friends which strengthened the phrase that "it's a very small world" indeed, despite being residents in 2 different countries. "Rest in peace, Craig and know that we'll raise our coffee cups high up in your honor; the coffees together on the deck we anticipated on having will have to wait for a while but until then, "Keep on keeping" kind Sir!" ☐☕💕
