“ *My Mother was the kindest and the most caring mother any daughter could ask for. She was slow to anger and was a very compassionate, loving person that everyone wanted to be around. She left me the memories of her sweet, loving spirit that I will dearly cherish for the rest of my life. She will be Greatly missed, but she is in a better place where there is no pain, sorrow or strife. Because of her I am the women that I have become.*
