

Griffin Lee Baker

March 16, 1998 - September 14, 2018

Griffin Lee Baker, 20, was born March 16, 1998 and passed away September 14, 2018. Griffin was a 2016 graduate of Fishers High School and attended Ivy Tech, Bloomington.

As a toddler; Griffin was already displaying his loving and compassionate traits. Although he subjected his family to watching 8,579 reruns of “The Lion King” and “Tarzan” (!), we gladly endured every episode...and now we only wish that we could watch them with him all over again.

As a young child, Griffin’s social traits began to really emerge. Yearly vacations to Florida always entailed the same theme: he would make friends with other kids on the beach within minutes...and then ultimately ask if they could come back to our condo. Griffin simply had an innate ability for making friends and truly caring about others. He had an amazing gift of making others feel welcome and appreciated.

As a teenager, Griffin enjoyed playing football (and other sports) and playing outside with his friends. Whether playing outside, or video games indoors, Griffin was always surrounded by other kids. He was a loyal and caring friend to those who knew him.

As a young adult, Griffin was eager to embrace the challenges of college – and he moved to Bloomington in August 2018. Unfortunately, this chapter of his life ended too soon. His warm smile, his silly sense of humor, and his heart of compassion will be deeply missed by all those who were touched by his life...

Griffin will remain in the hearts and memories those left behind, including his parents: Jayme and Steve Herrmann and Russell Baker (Jennifer); his sisters: Bailie (Jacob) Wright and Stephanie (Kyle) Sanchez; his brothers: Jed (Brandy) Herrmann, Jared (Lauren) Herrmann, Jacob Herrmann, and Jordan Herrmann; his nieces: Addison, Azaliah, Nalani, and Talia; his nephew: Nolan; his Uncles: Billy Richardson, Jimmy Richardson, and Ryan Gerde; his Aunt: Megan Baker Wright. He also leaves his maternal grandparents: Regina Malad and Bill and Kathy Richardson. His paternal grandmother: Kathy Baker. He was preceded in death by his grandfather: Ron Baker.

Visitation will be Thursday, September 20, 2018 from 4:00 p.m. until 7:00 p.m. at Shirley Brothers Fishers-Castleton Chapel. Funeral services will be Friday at 1:00 p.m. at Hamilton Hills Church, 10293 E. 126th St., Fishers.

In lieu of flowers, memorial contributions are suggested to Jayme Herrmann to defray funeral expenses.

“ *Griff was my first true friend that would do anything to keep me happy. He would send me random text messages checking in or just reminding me how much he loved/cared for me. If I was upset, he was the first one to my side to hold me. He taught me to spread that love to everyone else in my life. Never forget the light he always brought into the room.*

“ Griffin was the first person I met after moving to Fishers. He was with two of his friends and when he saw me on my driveway he yelled from where he was asking what my name was and if I wanted to be friends. My dad came outside and while his two friends sprinted away, he remained. Griff made me smile a lot.

“ *Griffin was a very good young man who spent countless hours at our home. He cared deeply for Laine and for her sister and brother. He was always laughing and seemed to have an easy smile. Your pain is greater than any parent or sibling should have to endure, but I am praying that God will wraps His arms around all of you and offer comfort that only He can. God bless you all.*
