“ *What a beautiful tribute. My dear cousin Hannah, smart as a whip, fun as can be, someone who seemed to know what it was really all about. God bless you. Thanks for our water balloon toss over the sun porch! I'll never forget it. Cousin Judy Kennerk.*

“ *Cousin Hannah. Loved my Indiana cousins and our trips to family reunions. Summer at Uncle Hugh and Aunt Helens: my first fireflies, the dog run, frog legs, and cousin Hannah teaching me how to throw water balloons off the roof of the sunporch, while fireworks were going on. As mischievous as she was I knew she was strong and smart too. Loved our visit in Connecticut decades later. I wish we could have spent more time together.*
