“ *Harold was a good friend beginning at North Elementary all the way through High School, and then some. We were pretty good buddies, especially after high school. Harold had a '62 Falcon and I had a '61 Falcon, not exactly hotrods. We took turns providing the transportation during our many escapades. We grew apart when we had families, but Harold was always there for the reunions. Always cheerful and kind of quiet most of the time. A good man. I miss him.*
