“ *Uncle Harvey was really the only Uncle I've known my entire life. We have all grown up and drifted apart but I will never forget the amazing memories I have with him as a child and young adult. I will never forget his amazing (and super strong) hugs ❤️ He will be truly missed by the many that love him. Many prayers to Aunt Belinda, the kids and grandchildren. We all know he's in a better place but that doesn't make it easy saying goodbye. We love you all so much!*
