I was saddened to hear about the passing of Hattie. She was a sweet caring soul, who loved life more than anyone I've ever meet. Memories of her will remain with me forever.

“ *Sister Hattie had the most beautiful, kind, and gentle spirit. She was such an inspiration to me, and it was an honor to know her as a very dear friend. In January 1976, almost 49 years ago, she gave me a devotional book titled Streams in the Desert, and that book has been a gift from God to inspire me, guide me, and help me through many trials in my life. It is only second to my Bible. I still have that book, the pages are crumbling, and tear stained, and even now when I pick it up I think of her. What a special gift she has been not just to me, but many, many others. I love her family, and my heart goes out to all of them during this time of separation. With Christian love, Susie McElroy*

Thank you Sue! That means a lot to us! She also wrote a song called streams in the desert. She touched so many people. She was a dear Mother-in-law.

“ *We want to express our heartfelt condolences for your loss. We will always remember Hattie as the sweetest person on earth. I cherish the memories of staying with Bro and Sis Synesael during the IBC Music Conference. We had such a wonderful time together, and I believe Bro and Sis Synesael enjoyed it just as much as we did. They are precious people, and I take comfort in knowing they are together forever. Please know that our thoughts and prayers are with you during this difficult time. Love you so much, Darrin and Julie May*
