“ *My heart broke when I heard of Heather's passing. She and her family have been sources of joy for my family over the years. She was just too young to go. I hope, with time, that Janet and Bob will heal and reach a state of peace. You're in our thoughts. RIP Heather.*

“ *Heather will be remembered by me by the joy she brought you. The stories you would tell of the two of you were always so entertaining!! I loved to hear them...I am making a donation to the humane society in her name as I know she in death will still want to help the animals that so desperately need a home. Love you Janet and pray that God will ease your pain.*
