“ Donna and I met when she was my daughters next door neighbor. I found Donna to be a very happy, funny, very interesting person to chat with we shared lots of good chats and laughs. Always was a good listener. My grandchildren and her were real buddies. She always remembered their birthdays and gave Tyler ice all the time and deja ice cream. Her life ended sudden and un expected, but I pray for her to have a peaceful journey into the spirit world, till we meet again friend good nite.
