“ I had no idea that Bro. Herb passed. This was an incredible man. I remember spending time in the hallways talking to him and enjoying every minute of our many conversations. What a great man... he will be missed. Wish I could be in Indy for his funeral.

“ So sorry to hear of his passing. I remember how kind and helpful he was when I moved to Indy to attend IBC. He even helped with my car repair. Praying God's comfort be with his loved ones. He is resting in peace with the Lord now.

I've missed listening to Herb and Ray Reynolds discussing everything from soup to nuts in the usher room. I felt badly when they took his drivers license away from him. One's last bit of independence. It won't be too much longer and we will meet again. God bless!

Mom truly loves Herb and Bernadine - she was very saddened to hear of his passing. Her age, vision and hearing doesn't allow her to express thoughts the way she would like to, so I am writing for her. Please know we love you, we miss Herb, and will keep Berna in our thoughts and prayers. Sis Doris Liford
