“ To All of Hillie's Children, I am so sorry I was unable to be present at the showing. I had to work Saturday. I think of her often and remember the good times that my mother and Hillie had. They laughed all the time, and you never saw Hillie without a smile. She loved her children more than anything else...and I truly don't know what Dr. Teague would have done without her. She was a blessing to all who had the pleasure to know her. Rest in Peace Hillie, my friend. Lee Ann Haley Hathaway

“ Shehad the most beautiful smile that would light up a room!!!She was pretty patient with Sylvia and me.Hillie never got mad at all the posters Susan would put up on the wall in her bedroom. She would just smile at all the Beetle posters.and would listen to us talk about who our favorite Beetle was.I felt like the Perrys house was like my house,I was always welcomed.We had the coolest neighborhood.and great moms that lookedout for all of us .we played lots of hide and seek ,egg throwing, at cars in the Langfords yard.lightening bug and grass hoppers that were put in glass jars without holes in the top.!!! was. So lucky to have grown up in that neighborhood and to be a part of the Perry household.and have Hillie treat me like one of her own!!!!!! Thank.You Hillie. Love Alanna
