“ I have recently worked with Butch for about 3 or 4 years at the Napa Balkamp Warehouse. He was always smiling and saying hi whenever we saw each other. He would bring us our pallets and would stop to talk or make a joke to make us laugh. I heard that he worked at Dairy queen early in the mornings and then would come and work full time at Napa which was very impressive. One of the things our coworkers would joke with him about was how much he could eat. He could eat about 2 or 3 plates at a time and dessert. I will miss seeing him when I visit the warehouse. The receiving department will never be the same without him.

Here is a Poem

A message from Heaven

*Perhaps you aren't ready yet
to have to say goodbye
perhaps you've thought of things
you wish you'd said*

*Well, so have I
for one thing , I'd have told you
not to worry about me
I'm with the Lord in Heaven now
you knew that's where I'd be*

*I'm sorry that you're feeling sad
for I'm so happy now*

*I've asked the Lord to ease the hurt
and comfort you somehow
It's hard at the beginning
but I know you'll make it though*

*I hope it helps to know that
I'll be waiting here for you*

“ Butch was a long time co worker and friend. He hated using the scanning guns and would always walk over to me to sign him in or get to the right screen. He was a hard worker and had a humor that you had to know to understand. Gonna miss this big lug. R.I.P.

“ I remember when I worked at Balkamp many, many years ago and met Butch. I was a little scared of him at first, but quickly learned he would do anything to help anyone. One Sunday he and his family came to Northeast Church of Christ to visit and I learned he was not just a good man, but also a Godly man. I hope the family can draw on their memories of Butch and let God hold them close in his living arms. My prayers are with you.
