“ I worked with Hugh at The Altenheim Community. I was a new maintenance assistant, with no experience, but Hugh took me under his wing, and he showed me how to do painting, plumbing, electrical and other maintenance/lawncare services. To this day, I still use the knowledge he instilled in me. He was kind of like a father to me. He found out I didn't have a car and he would pick me up for work. He was the sweetest, kindest, smartest, funniest person I have ever known. I wish I would have spent time with him before he left for Heaven. Thank you Hugh for all you did for me and for treating me good. I'll always remember you and think about you often.

“ Hugh and I worked together at the Altenheim Community and I have not seen him since I left there 30 years ago. I have fond memories of working with him. He was always kind, patient and thoughtful toward the residents. He would go the extra mile to make them happy. He had a good sense of humor along the way, which was often needed. (smile!) He was a fun and friendly co-worker, always pitching in to do whatever was needed. May his soul and his spirit find rest!
