“ She was my mothers' (Margaret Kinney) best friend. I remember when I was 6 or so, and she would visit on a Saturday. My sisters and I would act out because we knew mom was going to leave with her! They would go to a movie or shopping. It was the only time mom would leave us. As I got older and more understanding, Inez became an important link to my childhood. When I was 15 she actually arranged for me to go on American Bandstand! She was a big part of my younger life!
