“ Jack was a true best friend, whenever I needed to talk with him about something going wrong or just worried about something, he always gave me good advice. Will miss all the joking and him giving me a hard time whenever I saw him or he answered the phone. He was a very good God loving man, you could tell it by his advice and his talk. God's peace to you Jack, and Mary, stay strong, God has this one always.

Blessings always

“ *There are so many fond memories of Uncle Jack. It would be hard to pick one out but what I will miss most is his radiant smile. He could light up any room with that smile, that is what I will hold in my heart forever.*
