“ I'll never forget how Jack stood by us when our dad passed,as did his mom and other brothers. We went to the old homeplace where dad and his family lived,it was called sugar branch. It kind of got our mind off of being sad. That's how sweet and thoughtful and close we are. All our cousins wives and our one cousin's husband are the best anyone can find! We don't consider how much money we have being rich, no sir! It's being FAMILY! That's what makes us rich! Love you all to the moon and back! Love you my dear aunt earnie!

“ Such a dear dear man. He left his mark on this world in so many ways. He gave us the mighty gift of a dear son-in-law and two magical grandchildren and our lives have been forever changed. He will be sorely missed but heaven is a finer place now.
