“ *What a man and patriot and friend and community influence to Liberty-Perry Community, Wapahani High School, Selma, Indiana. Salt of the Earth! My father, Ron Keesling had more respect for this man and admired him so much. He gave so much to our community, especially the Wapahani Band Boosters, back in 1968 when we first started to become a power in the local and State Fair High School Band Contests! He raised three great Sons, and I'm sure his influence has contributed to their prosperity. Everybody knew who Jack Proud was and we were all proud of him. Sincere condolences to Gary, Jack , Jim and the rest of the family. I've been there and I feel your grief . . . just remember the good times!*
