“ Although I never met Jack I know his son Bill very well. I have heard Bill talk about his dad being his best friend and how much he loved him. So I guess all I can say is, if he was anything like his son then he must have been a wonderful and gentle man. My heart goes out to his family and loved ones. God bless

*The loss of a father
Is a heavy burden to bear.
He's a source of quiet strength
That is so missed when he's not there.*

*Take comfort he's in Heaven,
And looking down at you.
He'll be there through the coming years,
Watching over and guiding you.*

*He's your very own guardian angel,
And he'll be with you to the end,
When you meet again in Heaven,
And your broken heart will finally mend.*

I love you Esposa mia.
