“ *R.I.P. Jackie. You were way to young. The only thing that brings us any kind of comfort is that you are with your brother now. I can picture Stephen and you flying high. You will always be remembered.* ”

*'She is Gone'*

*You can shed tears that she is gone*

*Or you can smile because she has lived*

*You can close your eyes and pray that she will come back*

*Or you can open your eyes and see all that she has left*

*Your heart can be empty because you can't see her*

*Or you can be full of the love that you shared*

*You can turn your back on tomorrow and live yesterday*

*Or you can be happy for tomorrow because of yesterday*

*You can remember her and only that she is gone*

*Or you can cherish her memory and let it live on*

*You can cry and close your mind, be empty and turn your back*

*Or you can do what she would want: smile, open your eyes, love and go on.*
