“ I posted on Facebook. I am Lee C. Parker. I am writing a Kindle book on My Father and his demise with Aprindine. I would like to fondly mention Mr. Campbell's name and his experiences with Eli Lily. Also If you have any information concerning the other people who suffered and died after being treated with aprindine I would like to know their names and maybe I could find their kin. thanks you for your consideration and I am sorry to hear of Mr. Campbell's passing.
