“ I can't even begin to say how saddened for the loss of Charlie, "my other Dad." So many great memories that I could not even begin to list them. I can not ever think of a time when he wasn't part of my life. Going to the campground (it was still Eagle Valley then) and playing while he and dad (Paul Jensen) worked on stuff, swimming in the lake and later in the pool, going to church and seeing his smiling face and getting his hug and hearing him say, "How are you doing, Babe?" Eating his 7-up pancakes every Easter morning at the church breakfast after sunrise service. My brother, Joe, playing Yogi when they first got the Yogi Bear franchise. The Train stopping at the campground at the platform he built at the back. So many memories! Hearing him call for "Mert" when he wanted to let Muriel know we had come to see them. I know he is in Heaven, praising and singing. Praying for Muriel and all the family. God Bless You! I know that I was truly blessed to know him. Thank you for sharing him with my family!

“ So sorry for your loss! He was a very pleasant person and we are pleased we had the chance to meet him even for a short period of time. Our condolences to all of you. Thankful that you have the peace of knowing that your loss is Heaven's gain. Love and prayers to you all. We will see you at the visitation on Sunday.
