“ I first met Jim at the pool at River Bend apartments in 1988. That was where all of the young people hung out during the summer back then. What a great time! Jim and I with other friends went to the second concert at then Deer Creek to see the Allman Brothers, July 19, 1989. There were only a couple hundred people there because no one knew about the venue yet. Jim was a smart, fun, and witty friend that will be missed.
