“ I'm very sorry to hear of his passing. I last saw him at a doctor's office a few years back. He was wearing bib overalls, like his Father. He looked like his father some too. He was always a great person to grow up with, always thinking of projects, things to do. He also got to live his whole life in his childhood home. A home his father built to last. A great neighbor to all. May God Bless you and your family.
