“ I have been fortunate to have Jim and Jo as my friends since the very early 80's. Their last and present home has always be the party house for our group of friends known as the CB's. Jim was always very welcoming to all of us at any time. We could always count on a couple of summer cookouts and a Christmas party each year. I am sure we will continue these traditions missing Jim but knowing that he is enjoying watching us from above. I love you Jim and I will miss you tremendously. Michele XOXOXO

“ *Mr. Scott and I were neighbors for over seventeen years and shared so many things in common. We were both veterans, served on the Churchman Estates homeowners association together, loved garden tomatoes and corn and had love for dogs. We agreed on many topics and were in accord almost all of the time. I feel lucky to have known him and may God keep him and hold him near and dear. You will be missed Jim. Respectfully, Jim Dingess*
