“ Harold and I are so sorry to hear about Jim. Harold remembered that he and Jim started playing golf for the first time together at Sarah Shank course. They sure had some fun games after that. Also played lawn jarts till two am in the morning.

The most fun times were when they came to our house at Thanksgiving. Always had fun and a wonderful meal. Sure missed those times after our lives changed but never forgot them. Always nice to have wonderful memories. All our love, Harold and Bonnie
