“ There are no words that can take away the heartbreak of such an unfathomable loss. Even knowing Jim is in the presence of the Lord (2 Corinthians 5:8) and we will one day join him in that place of perfect peace and joy, we grieve deeply as we long for all of the beautiful things that were distinctly Jim Morrison here on earth. My prayers go out for and unexplained peace and comfort for Jim's family and to all who are struggling to cope with the sorrow.

“ I am deeply saddened by the passing of this very fine man who I have known since I was a kid growing up with his own kids. He had one of the best laughs that I have ever heard and a smile that would light up a room. I pray that he rests in eternal peace with Almighty God. My heart goes out to his dear family and I pray that same Almighty God pours out his tender mercies and loving kindnesses on them as they all go through this difficult time.

“ I first met Jim when he was our Precinct Committeeman. The Morrison family were friends with my next door neighbors, the Lewis' and with that association, Jim enlisted me to work at the election polls. I was already interested in politics, growing up with many a political debate in a house divided, but I credit Jim with encouraging me to become more involved. I took a break for many years, but have returned to working the election polls with the Lewis' for several years now. Jim was fun to work with and passionate about his party.
My sympathies to his wife, Helen and their children.

Thank you Dean and Elsie. Dad always loved getting together with friends and family at Summers and all of the other camping we as a family did. Good times, great memories.
