“ *To the Richmann family, it was such an honor to have been able to help care for your precious Jim. I feel blessed to have been able to learn about the wonderful man that you call your husband, dad, grandfather and friend. Each of you are a reflection of him with your kind hearts and loving spirit. Though he is gone, he will live on through each of you each and every day. Thank you Jim and the Richmann clan for allowing me into your wonderful world. You will remain in my heart always!*

“ Sorry to hear about Jim. He was a good long time friend. We've known each other since I was in the coffee business until now. He liked his pasties and fishing.
I caught my largest bass ever while we were fishing at pond down south near Trafalgar. He will be greatly missed as a friend discussing fishing, our stocks and Michigan.
