“ *Jim, you were a special friend to Pam and me for the years that we have lived in Britton Falls. You will be missed in person, but you will always hold a special place in our hearts and the memories of the fun times that we had with you and Yvonne will never be forgotten. When we make another trip to Florida, or attend a concert at Conner Prairie, or play a game of Euchre, we will look up and see you looking down with that quiet smile on your face. You will be missed, but not forgotten. And one day we will see you again. Yvonne, Pam and I are always here for you, and we pray that you and your family will find some peace and comfort from remembering all of the special moments and fun times that you enjoyed with Jim.*

“ Very sorry to hear of the passing of my good friend and fellow Howe High School Basket Ball player who was the star of our team....my sympathy goes out to all of his family. He was a very unique person who always had a smile on his face, especially when he hit one of his signature two handed jump shots. Many basket ball players hung out at John Reynolds outdoor court and sometimes it was a long wait to get into the game so the waiting list developed a card game called trumps that required some pocket change. On one occasion Jim and I were in a game with several others and I noticed he was missing....when I asked the others where is "Bush", someone told me that Jim grabbed my car keys and took my 1950 Standard Transmission Plymouth for a spin. He returned in about 30 minutes and sought me out saying I am real sorry, but that standard transmission jerked me around and I ran up over a curb and I hit a telephone pole leaving a big dent in your bumper. A few months later we were playing golf at Pleasant Run and were teeing off on the 8th hole that runs along Arlington Ave where Jim lived. I drove my ball with an outrageous slice that went all the way across Arlington and hit Jim's front porch and he says my God you need to quit this game and I said Ya and you need to give up trying to learn how to drive a standard transmission and stick with your White 1962 Chevy Hardtop with an automatic transmission. Gosh....I really love that guy!

“ Our deepest sympathy to Yvonne and their family in Jim's passing. Jim was a friend to many, a neighbor in the Britton Falls community, we played bocce together on Thursday nights, and I know he was an avid card player and we were fortunate enough to get him and Yvonne to sub in our card club years ago. I enjoyed talking with Jim and his sense of humor. He will be missed.
