“ The cousins from California/Hawaii are sending condolences and love to our Aunt Alice and to Susie and Kevin.
As the oldest of the cousins, I have very fond memories of a trip that Steve and Susie and I made on a New York Central train trip from Indianapolis to Muncie and back in 1958 or 1959. Our Grandpa Brennan was the engineer on that trip, and our Grandma Brennan took the three of us cousins for that ride. What I remember was that Grandma started out sitting with Susie or with me, and quickly realized that she probably should be sitting with Steve to monitor him 😊 because Susie and I were behaving.....
We are a very small family, and we send our very sincere condolences on Steve's passing.
Love from Becki, Nancy, and Jay
