“ I took classes with Jim at Ivy tech in 1980-81. I was a year older than him but graduated in 1980 from Ben Davis. I thought the world of Jim ...how he always had the "Hot Rods"...the challenger, V8 vega, and flip nose 57 chevy. I looked forward everyday of going to Ivy tech seeing what cars he would drive up in ...I've been trying to get in touch with him and seen that he had passed..my heart goes out to his family ...he was a great influence on my life.

“ I grew up down the street from Jimmy. He was down at our house a lot. He helped my dad with farmwork, but also became part of our family. He was like a brother to me and acted like it too. Lol. He ate a lot of meals with us and went on a couple family trips. He would give you the shirt off his back. He had a huge charismatic personality. I know he loved his wife and children and grandchildren and they were his life. God bless his soul and may God give his family and friends peace and comfort.

“ So Sorry to hear of Jimmy passing away. I leave in the neighborhood on Hunter Rd and saw Jimmy many times as he past my house and when he was visiting his friend across the road from me.

I got to know Jimmy recently this past summer, working with him in the barn nextdoor to me.

Jimmy was quite a Character and had one hell of a humor and a very Witty Guy.

My wife Judy and I send our condolences to the entire Vawter Family.
