“ Mike, there is not a day goes by that you are not missed. We all still laugh at your unique expressions. I think our favorite was when you would send somebody to pick up candy for us and you would say I don't care what you get, just get a lot of of it. I wish we had more time together, but I know God's plan is always the best plan. Thy will not my will be done. Keep mom and dad and of course Janie my wife in line up there. And play Yahtzee every chance you get.

“ Uncle Mike, you are just not an amazing Uncle; you are an amazing Godfather. I have the best memories with you. Pepsi is the secret ingredient in your spaghetti sauce; everyone needs to drink tea, and if you burp "ain't bad manners just good food" Making Christmas ornaments in the basement. Working on things in the garage...(even though I had no idea what I was doing). Hope you can hear this from heaven
