“ Susan, you may not remember me but my husband Roger Groomer and your husband, Jim , became good support buddies during their clinical trials at Simon Cancer Ctr/University Hospital. Roger passed away Dec 28th, 2020. Please know God is watching over both Jim and Roger from the heavens above . Be strong and stay positive and know you are surrounded with love and support from family and friends as I am. Jim and Roger shared a special bond and I am more than grateful and thankful they had one another to lean on during their toughest and most trying of times. I am so glad to have gotten to know Jim and I am certain he felt the same for Roger. They are both missed and always will be. Please take care of YOU. My prayers and thoughts are with you. God Bless and may the angels wrap their wings around you to comfort you.

Sincerely,

Dawn Groomer

“ My condolences to the family. Rocky and I were friends for more than 50 years, since 8th grade. Roommates at WKU, attended NHLA Inspection school together. He was best man at my wedding and served as a pallbearer for my father. One of the good ones. RIP Rocky - I'll miss our calls.

“ *He will be missed. He was a pivotal figure in my life and a good friend. He had a genuine quality about him, which made him sincere, I will miss that. He was also a man of faith as we had often discussed on long car rides.*

“ One of the nicest guys I ever met. I have a clear memory of Jim and Indy walking the neighborhood and how he called Indy 'grump-a-saurus'. He will be missed by Sunset Cove.

I am saddened to see this. I only knew Rock, as I called him, a very short time in the 80's. He worked for Cole Lumber Co in Bowling Green, KY & I worked for Dairyman's Supply in Mayfield, KY. I would often be the one to, sometimes, take lumber or other building supply orders from him. He was always easy to deal with & interested in my life, for some reason, Incidentally, when he learned I sang country music, he encouraged me to enter a Wrangler Star Search Talent contest in 1981. That was the first time I had the privilege of meeting Rock. I, too, was impressed with his genuineness. Because of that encouragement, I went on to win other contests & was asked to be on an album. It was his belief in my talent that made me believe in ME. I don't think I ever said "Thank you, Rock." 😞 My condolences to his wife, children & family. Cece Howard
