“ 25yrs ago today I married you. You will be missed Jamie Brown. I still hear your laugh and so many little videos playing through my head. Always goofy! Such a good heart. Always there through everything you struggled with...that heart that made me love you in the first place. I'm gonna miss all the txt and calls ...(not the 2am drunk dials!! Lol)
There will be no one for me to send a pizza to on Jan 26th this year.
:(
I just saved a meme on my phone last week I wanted to send you. That's REALLY gonna suck buddy. I knew you. And you knew me. And I'm gonna miss you being in my life.
I will make sure the kids remember the good things. We'll see you again. Love you.

I love my son I knew his life well and he told me everything. He's been with a girl 15 years that has stood by his side and loved him very much when he needed it the most. she helped bring the smiles out in him. She was his life long partner and soon to be wife. I know she is hurting very bad right now and prayers go out to her also. He will be missed and always loved. You're with your brother now and I love and miss you both.
