

## Jamison "Jamie" Treat

April 13, 1965 - April 10, 2020

Jamison "Jamie" Treat,

On April 10, 2020, Jamison "Jamie" Treat left the tight, loving embrace of his family and entered the glorious embrace of his Heavenly Father. Jamie was born April 13, 1965 in Indianapolis. He will be sorely missed by his parents, Ben and Donna Treat; sister, Amy Treat; and his children, Matthew Treat, Alesha Treat, Troy Treat, Grace Treat, Faith Treat and Destiny Lewis. He is also survived by Myleiah (Boring) Macy, Selishia (Atnip) Lewis; wife, Teresa Treat, and her three daughters and six grandchildren; and Carla Wencke. He was preceded in death by his grandparents, Troy and Talmadge Treat and Harold and Alma Webber; and his aunt, Diane Deusser.

Jamie cherished every moment with his large family of aunts, uncles and cousins. He enjoyed spending time with his family, hunting, fishing, storm chasing, singing in his car, entertaining everyone with his stories of his adventures and being the master of all drywall finishers.

“ RIP Jamie 🙏

*First and foremost, I pray your loved ones left behind find peace and comfort after your passing.*

*I'm glad our paths crossed many years ago. We all were just kids--- full of life!*

*Arlington (you and others) = impressionistic memories not forgotten. Every time I hear "Hello Again" by The Cars, you were and still will be thought of. Some things just never change. Grateful for you reaching out a few years ago. Hearing from an old friend is good.*

*Always,  
Carolyn*

“ *Jamie you was a blessing to so many. You are loved beyond words and will be missed beyond measure. The bond you had with mommy, us girls and our kids was unbreakable. We all love one another so deeply and wholeheartedly and for that we will all forever be grateful to have had so much love in our hearts for one another. We was a huge blended crazy, silly, fun and loving family and will be some day again when we all meet in Heaven. Until then just know we have your memories and will celebrate your life and all the good you did here for us all. Goodbyes are not forever, they are not the end. They simply mean we'll miss you until we meet again.*

*R.I.P -To a wonderful stepfather, grandpa and husband. We are all sending our love to you up in Heaven! 🙏*

“ The first grandchild and nephew born into our family. Oh my how we all loved you from the beginning. You were such a good kid. Unlike some little boys, you were never aggressive or mean. You were always protective of the girls and I knew then you would be a very popular guy with the girls. You were your younger cousins hero and buddy. Everyone got so busy and years passed so fast and one day the time to get together and catch up was gone. You have given us your wonderful kids to help us always remember how much you are loved, because I truly love them. They are the gift from God that will get each other and me through this. I will see you very soon in paradise.

“ Altho I wasn't lucky enough to have known Jamie for years, he was a wonderful human being, he started dating one of my best friends Carla Jo, a year or so ago. a  
Anytime he came to my house, he always had a smile on his face and was always laughing. I know one thing for sure, I have never seen anyone look at someone with so much love in their eyes as he did Carla Jo. He always, always left something at my house and would have to come back to get it. He was a wonderful soul, I wish I could have known him longer than I did. RIP Jamie, you will be sadly missed.

“ *Jamie was my hero so many times I can't even count them all! He saved my life when we were kids and I nearly drown. Again when I choked on ice in a car when we were teenagers. He protected me in every way and it is my honor to care for the people that meant the most to him in life! I love you, my first and best friend!* ”
