*Jane, our mom and I went to Arizona together for the first time in 2013. We stayed in Phoenix but spent an overnight in Sedona and went to the Grand Canyon the next day. What an adventure! Jane was another sister to Audrey, Sharon, Ray and me--the Satterblom kids. I believe she is rejoicing in Heaven with her "adopted" Mom and Dad Satterblom. She is missed.*

“ My buddy! It is not the same. Can't tease you about being short, can't call to go out to eat Mexican and can't enjoy just being together. But I can remember the compassion you shared with others, the shoulder to lean on and the words that were said at the right time. My life is better because I met you 20 years ago. Thanks for spending times with me--sweating and working on houses, just being together and no need to talk. We knew what each other was thinking. I will keep your great boys in line. Love you.

“ Dear Daugherty Family and Friends,  
I wasn't privileged with the remarkable acquaintance of Mrs. Daugherty as you were, but it saddens me to read of your loss. Please accept my family's sincere condolences. Many are comforted in knowing that our Creator assures us in the Bible that soon death and mourning will be no more. May you have peace.

*She was a great person in my life that helped me out a lot and understood me when others did not. We had things in common, one being working with our hands. Working or building cars, trucks etc. I will miss her a lot. And Im sorry for the Daugherty family's loss. She was our friend and our buddy.*
