“ I loved working with Janet. She had such a wonderful sense of humor and love for people. Though I didn't see her after retirement, we kept in touch via Facebook and it was always lovely to see her family posts. Her pride in her children and grandchildren filled her with joy. I will never forget this special lady.

Janet was a special lady. She had a way of lifting up anyone's spirits with her calm, loving presence and her (sometimes raunchy) sense of humor. She had a difficult history, but never let it dampen her compassion for others. Rest in peace, dear lady.
