“ Please accept my heartfelt condolences for your loss of Janet. We had lost contact after she left her job at the Navy base and became a busy mom to Brittany. On the first day I met Janet, we were exchanging pleasantries in the office when someone asked me where I went to college. As I started to explain that most people in Florida have never heard of the wonderful, small college in Southern Indiana, Janet was smiling and nodding. Janet most certainly knew about Hanover College! We were instant friends. We had great lunches and shared many interests as well as job headaches. Working with Janet certainly made the days quickly pass. I have attached the picture that Janet did for me when my daughter was born 30 years ago. It still hangs in my bedroom...there has been a daily prayer for Janet and those she loved every day as I appreciated her talent and generosity. Janet was a special lady...
