“*Janice was a wonderful, beautiful, christian lady. We have many fond memories of visiting her home with her beloved husband Tyler. She introduced chocolate gravy to us! We will miss her but know she is resting peacefully in the arms of God whom she loved. Till we meet again...love and prayers to the family. The Bucklands, Herb, Diana and girls.*

“*So very sad to hear about Janice passing. We have been close friends since the 1980's and I have known her as a close sister. She has shared many things in her life with me, her joys and her sorrows. Those are the memories that I will cherish and are locked in my heart. I will not weep for her because she is where she is happy now and has been looking forward to going home. My deepest sympathy to the family.*

“ My first memories of Janice was when I was in 1st or 2nd grade. My brother would walk me to her house (which was on the way to school) and then I would walk the rest of the way to school with Jimmy and Austin. As the years went by she was my Sunday School teacher. I always admired her bringing her kids to church when I know it probably wasn't always easy. She was a sweet lady and always showed such kindness to me.

“ Mom Bailey was more than just a Aunt she was a second mom, my kids alway called her Kmart granny to,tell the difference between grandmothers. She was the best in all she did always said if your going waste your time doing do it right. Loved her very much she helped me even when she did not realize it. We sometimes would talk for hours just about everything. Sometimes it made sence sometimes not. But she would never let me go without telling me how much she missed me combing her hair,. She was a awesome person, she was ready to go,home. Heaven gained a angel she will be missed greatly, I
Love you dearly but I will see you again. Love

“ My twin sister and I use to visit my aunt when we were kids, we are identical, when aunt Janice would get to the point she could tell us apart, Bonnie and I would go in the bathroom and change clothes, just to confuse her all over again.
