“ Many years ago when I was involved with the State PTA Board, I met Janice. She was always the person who backed up the work we did in the field. She loved her job, and she loved life. I am glad her footprints crossed my path, and I hope the warm memories her family cherishes sustain them and bring them peace. Maribeth Ransel

“ My memories of Janice are warm and welcoming. She was a wonderful, sweet, loving soul. Her daughter, Pauli, has been my best friend for over 30 years and I always enjoyed visiting with her mom. She was a lovely woman and will be missed. - Dionne

ME

“ I remember when I was a little girl spending the weekend with my grandmother and waiting for my aunt Janice to come home from a date with Kenneth. I'd try my best to stay awake so she would sing to me. She taught me so many cute things. I adored her and Kenneth too. They were very important in my life and will be missed until I meet them again. Jami and Pauli are like my sisters and I will always be there for them. I love you.
