

Janice Kay Sullivan Walker

December 11, 1953 - April 11, 2015

Janice Kay (Sullivan) Walker

61, died on April 11, 2015 in Carmel. Born in Campbellsville, KY on Dec. 11, 1953, she was a daughter of Huston and Mary Walker (Bryant) Sullivan. By 1956 her family moved to Hendricks Co., Indiana where she attended Avon from K – 12 graduating in 1972.

She married Gary Keith Walker on January 6, 1979. Putting her career on hold to raise their three children, Nathaniel “Nate”, Natalie and Russell “Russ” Walker, she was a daycare provider at home and at local churches. She became a licensed real estate agent at Wall & Associates in Clermont, Indiana where she worked for 15 years and enjoyed helping her clients.

She joined St. Luke's United Methodist Church where Gary was a lifelong member. She was very involved in UMW and the biannual rummage sale serving as co-chair for many years. She was honored by the church in 2014 for her many years of service.

She most enjoyed spending time with family but also had numerous friends who she loved as well. She also enjoyed shopping and vacationing. A vacation trip of a lifetime happened in 2009 when she and her family traveled to Europe.

She loved her twin grandchildren, Lucas Keith and Chloe Elizabeth Walker, beyond measure and so wanted to spend a lifetime being “Grammy Jan” to them.

Visitation will be Thursday, April 16th from 4:00 p.m. to 8:00 p.m. at St. Luke’s United Methodist Church, 100 W. 86th St. with funeral services 11:00 a.m. Friday with Dr. Kent Millard speaking.

“ *My sister ... my friend....*

I have no idea how I am going to go on without you. You have always been a part of my life. You were my sounding board when others seemed crazy. I hope I was yours likewise. I cannot help but remember the times we laughed until we felt like we might throw up ... whether it was driving back from Florida with too little sleep or simply looking at greeting cards at Walgreens. We would have been the best reality show. Even though we knew no one acted like us in real life. And stopping in Valdosta was some of the best fun but spending the night with Mrs. Bogan was even more fun. I just don't see how we crammed it into nine years. Come hug me in my dream tonight.

“ *I knew Janice well as a class mate. She always had time to listen to someone else's problems or step up to make someone else happy or feel better about themselves. She was very naturally a selfless person. What a beautiful gift. You are already missed in the hearts of many*
Pat McFadden. Greatly saddened.
