“ *Debbie and Donny, our deepest sympathy to you in the passing of your Mother.*

She was a wonderful asset to our neighborhood and also a dear friend. I enjoyed walking down to her house and sitting and visiting. She was always ready with a smile and had a great attitude on life. She will be greatly missed . The two of you were her greatest reward in life.

“ *I know Janni from Lawrence North where I taught. What a lovely, kind, positive lady! Janni always was ready to help and always ready with a smile. It was a delight to talk with her. We saw each other a few times at the Lawrence North retiree luncheons. We could immediately begin talking as though we had seen each other very recently. Janni will be greatly missed. My sincerest sympathy to her family.*
