“ Your kids are blessed to have you as a Father and I know you'll watch over them. You definitely showed them love ,support, and great work ethic. I know with all that they will push forward and take all that with them into their adult lives and be great adults, hard workers and an awesome parent and friend as well.. Cant wait to see them open up shop and maybe run a towing service and watch it grow in your memory and legacy..Hall's Tow Beast...God bless you and them...so very sorry

Our last conversation was abt ur dad. Im sure you guys are having a beer right now. Sorry i cant be there but i understand y. Its hard to believe ive known u for 25yrs. U was the best dad around. You could see the love on ur face and definitely see it on there face. U really are a great person. Now u can celebrate Father's day with your dad.
