“ *What to say about one of my dearest friends ever from Aladdin. Too many good times to choose from. One I will never forget is he was doing cart wheels in the middle of the street in downtown Nashville. Never a dull moment with Jay. I will truly miss him and loved him as a friend. My prayers and thoughts are with you Kelly and rhe girls.*

“ *There are too many memories of times with Jay to condense into one or two specifics. He was quick with the joke, and always helped to lighten the mood for any given situation. We weren't in close contact the last couple of years, but I still consider him as good of a friend as when he was my Best Man at my wedding.*

*It hurts to have to let you go, Jay, but memories of you will last until we meet again. Godspeed, my friend. - Dave R.-*
