“ Dear Family,

Today, I learned of Jean's passing last May. I am so sorry for your loss. I remember Jean as a very kind, gentle, and thoughtful woman. She and Pete made many visits to Maysville, Kentucky as we all were growing up and made a special point of staying in touch with her cousin, Nines Verville (our mother). Mom's mother was Cele Piche Watson. Cele and Delia (nee Piche) Sanders were sisters. Mom thought very highly of Jean and Pete and looked forward to their many visits over the years. Jean and Pete attended many family weddings and other special occasions. Our thoughts and prayers are with you, dear cousins. Jean was a remarkable woman.

Fondly and with much love,

The children of Nines and Bernard Verville: Maysville, KY

“ Jean became my Godmother in 1951. She and my mother, Vera Craney, kept in touch over the years. Before my mother passed away in 2018, I began receiving and sending cards to Jean. I remember that I, and 3 of my siblings, played with you kids at your house, on occasion. I pray for all of you, as you adjust to life here without your mom, knowing where she is and that you will see her again some day.

“ Paula, Ed, Mic & family,

The Lord will open to them the gates of paradise and they will return to that homeland where there is not death but only lasting joy. Grant Jean eternal rest O Lord, and allow her to share in your heavenly glory. Precious Lord, take her hand and lead her home.

We 1st met Jean @ St. Jude in the mid 90s. She knew my Joanie's parents, Buzz & Evie Metallic. I think through St Vincent DePaul. Jean was so sweet and kind. Her faith and gentle manner was incredible. I had no idea that she was your Mom & Grandmother. What a blessing she is to you and to everyone.

On behalf of the Cahill family, we extend our condolences to the entire Magnant/Roessler family at this time and remember them in our prayers in the days ahead. God bless.

*Love, peace & prayers

“ One day, as a 6-year old with a single Mom, I didn't have anyone to look after me on a day off from school. My Mom walked me over to the Magnant's house and asked Mrs. Magnant if she could babysit. That started a 5 year relationship with this family. Mrs. Magnant was more than a babysitter, she was like another Mom to me during those years. I know it was hard on them, having 5 children of their own, but they welcomed me anyway. She gave me a lot of stability during those years and I learned a lot from her. I will miss you Mrs. Magnant. In lieu of flowers or gifts, I am having 5 trees planted in an Indiana State Forest in her memory.

“ I remember when I first met Jean she was nominated by the Silver Wish Foundation to go to Texas to see her 96 year old sister. I thought what an amazing woman she must be. She became my mother's roommate for 4 years and probably the last best friend my mom had. Jean taught many of us how to be kinder to one another. She will be missed.
