“ I was so sorry to hear of Jeff's passing. I have such fond memories of the summer I spent in Texas babysitting Jeff and Harry(BG). My first day on the job Jeff got out of the house and went to the old babysitter. I thought I'd be shipped back to Ohio! But we survived and had a good summer! Love to you all.

“ I was only fortunate enough to have Jeff in my life for a few short years (age 5-10) as children, but even then, he made a lasting impression on me. We were fast friends. He had a heart of gold, even as a young child. We were exploring the woods of Robinhood Lane in North Kingsville, Ohio, as we often did. We were second graders at the time. I had a mishap and stepped on a sharp object that pierced my shoe and foot. I couldn't walk and was bleeding profusely (as I remember). I couldn't walk. We were a long way from home and help. Jeff did not hesitate to pick me up and carry me all the way home. What second-grader has the wherewithal, willingness and strength to carry another second-grader more than a few feet? Jeff Leffler did. In my mind, we were miles from home, but truly, probably only a half mile. Still !!! He delivered me to my house where I proceeded to the hospital. I haven't shared this story with many, but I will never forget it. As a grown man, I recognize the selflessness that Jeff had as a 7 year old and I'm certain that he did through his adulthood. People are placed in our paths for a reason. I was lucky enough to cross paths with this wonderful soul. Love you, Jeff!
