“ Bro. Nelson was honestly like the Father, The Dad I didn't have. He became Principal of Calvary Christian School and it was during his tenure, I began to come in to my own. I was being raised by my Grandmother. And my Grandfather had passed many years before. If it weren't for Brother Nelson, I'd have never gotten deep in to sports as I did. More Important, The values and principals he instilled in me, Helped me to become the man I was to be. I did everything I could, To make him proud. Life took me away from my CCS family, I kept in touch with as many as I could and Brother Nelson was at the top of the list. I drifted away the last few years and am truly heartbroken finding out about his passing. As I type this, I can't stop the tears from flowing, I will see you again someday!!! I promise

“ I had the great privilege to be invited to my first Annual Byron Classic Golf Tournament back in the late 80's. I knew from this time that Jeff had a real love and passion for the game of golf. I played in a handful of Jeff's tournaments and remember well the camaraderie within the group. His passion for the game was truly incredible. I have a lot of great memories and Jeff will be dearly missed. Until we meet again "Hit 'em straight".

“ I have played golf with Jeff for over 20 years at Dyes Walk. He was always my partner. I enjoyed Jeff not only for his golf skills but also his dry sense of humor. He had a great card trick he showed me but would never reveal the secret. I will miss him. Jay Doty
